Dear Hiring Manager:

As a focused and driven student, I believe I can fulfill the Software Engineering Intern role and support the Box's goals. My history of academic success and collaborative contributions illustrate a high level of dedication. I believe your organizational mission and my career path are well-aligned for a successful future.

I bring strong leadership aspirations and key strengths in collaboration, critical thinking and planning. Focused on continued growth and progress, I am skilled in improving operations and processes while inspiring teams to deliver superior performance.

Being familiar with the requirements of this role, I see that you're seeking skills in programming, hardware and software installation, and software engineering. I am eager to offer an entrepreneurial mindset to build creative solutions with Box. I've researched and learned a great deal about your mission-driven successes and the privilege of working with your team would be exceptionally gratifying.

Thank you for your time and consideration in reviewing my qualifications for the Software Engineering Intern role. If you would like additional information about my background and skills, please feel free to contact me.

**Sincerely,
Shi Qiu**
